

Zoning Ordinance Approval
CITY OF AUSTIN
RECOMMENDATION FOR COUNCIL ACTION

AGENDA ITEM NO.: 46
AGENDA DATE: Thu 03/09/2006
PAGE: 1 of 1

SUBJECT: C14-05-0111.04 - East Riverside/Oltorf Neighborhood Plan, Tract 213 - Approve second/third readings of an ordinance amending Chapter 25-2 of the Austin City Code by rezoning property locally known as 2101 Wickshire (Country Club Watershed) from family residence (SF-3) district zoning to public (P) district zoning. First reading approved on January 12, 2006. Vote: 6-0, Mayor Pro Tem Thomas - absent. Applicant and Agent: City of Austin, Neighborhood Planning and Zoning Department. City Staff: Robert Heil, 974-2330.

REQUESTING Neighborhood Planning
DEPARTMENT: and Zoning

DIRECTOR'S
AUTHORIZATION: Greg Guernsey

SECOND / THIRD READINGS SUMMARY SHEET

ZONING CASE NUMBER: C14-05-0111.04 (Parker Lane Plan Tract 213)

REQUEST:

Conduct a public hearing and approve an ordinance amending Chapter 25-2 of the Austin City Code by rezoning property locally known as 2101 Wickshire Road from family residence (SF-3) district zoning to Public (P) district zoning.

DEPARTMENT COMMENTS:

This was one of several tracts in the East Riverside – Oltorf Combined Neighborhood Plan that were supported by the neighborhood, property owner and staff. Planning Commission recommended that these tracts move forward while the rest of the plan is completed.

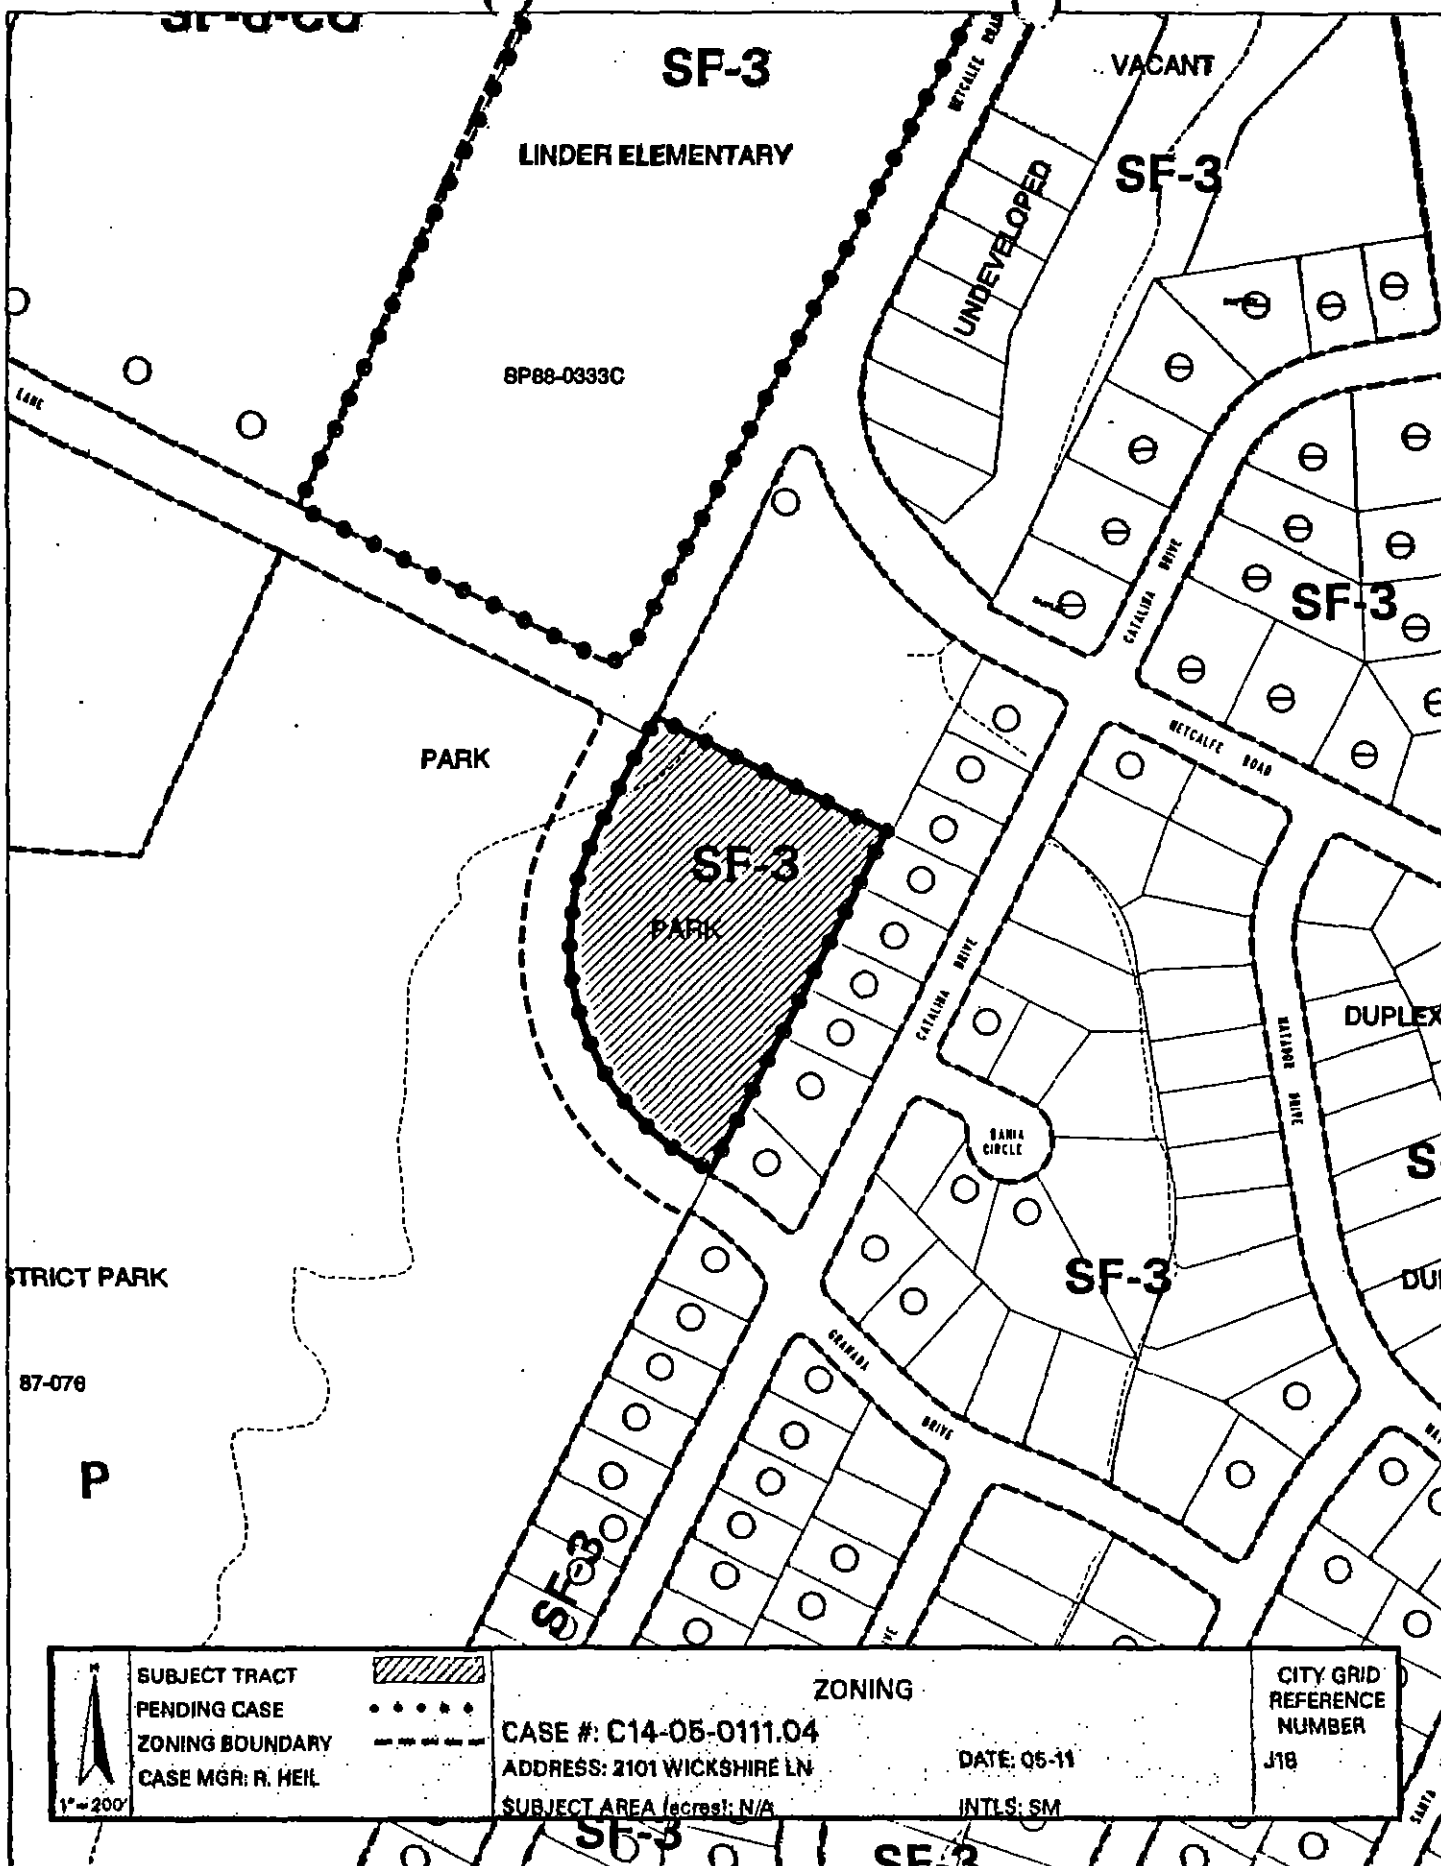

APPLICANT/AGENT: City of Austin

DATE OF FIRST READING: January 12, 2006 (6-0).

CITY COUNCIL ACTION: Approved Public (P) district zoning (6-0 vote).

MEMORANDUM

TO: Will Wynn, Mayor and City Councilmembers

FROM: Robert Heil
Neighborhood Planning and Zoning Department

DATE: January 3, 2006

RE: East Riverside / Oltorf Combined Neighborhood Plan

On October 25, the Planning Commission held a public hearing on the East Riverside / Oltorf Combined Neighborhood Plan and three associated zoning cases for the Parker Lane (C14-05-0111), Riverside (C14-05-0112) and Pleasant Valley (C14-05-0113) neighborhood plans.

Planning Commission postponed action on the Neighborhood Plan and on the associated rezoning cases until March 28, to allow additional time for areas of disagreement to be worked out.

However, rezoning on several tracts was supported by the property owners, staff and the stakeholders that had been involved in the neighborhood planning process. The Planning Commission recommended that City Council approve the rezoning on these tracts while work continues on the rest of the neighborhood plan.

The property owners, neighborhood representatives, staff and the Planning Commission support the following rezonings. These consensus tracts are:

Case	Address	Plan/Tract(s)	From	To
C14-05-0111.01 ..	2600 Pleasant Valley	Parker Lane/203	LR	SF-3
C14-05-0111.02 ..	2507 Burleson Rd	Parker Lane/204	GR	MF-2
C14-05-0111.03 ..	2800 Metcalfe Rd	Parker Lane/208	SF-3	P
C14-05-0111.04 ..	2101 Wickshire	Parker Lane/213	SF-3	P
C14-05-0111.05 ..	4705-4811 E. Oltorf	Parker Lane/224	MF-2	SF-6

SUMMARY OF STAFF RECOMMENDATION:

The proposed zoning change creates a Neighborhood Plan Combining District (NPCD) for the entire area.

For each of the 26 tracts (numbered 200-225) the attached chart lists the street address, the existing zoning, and proposed zoning. Staff recommends the adoption of the proposed zoning base zoning for these tracts. (See Attachment 4).

Additionally there are some tracts not recommended for rezoning by staff which are being offered by the neighborhood stakeholders for consideration by the commission. (See Attachment 5)

This case is associated with C14-05-0112 Riverside Neighborhood Plan Rezoning; C14-05-0113 Pleasant Valley Neighborhood Plan and NP-05-0021 East Riverside/Oltorf Combined Neighborhood Plan.

Parker Lane Plan Area

Current Zoning

This map has been produced by the City of Austin Neighborhood Planning & Zoning Department for the sole purpose of facilitating neighborhood planning. It should not be relied upon as an official source of land use or zoning and is not warranted for any other use. No warranty is made regarding the accuracy or completeness.

SUMMARY STAFF RECOMMENDATION

C14-05-0111

The proposed zoning change creates a Neighborhood Plan Combining District (NPCD) for the entire area.

For each of the 26 tracts (numbered 200-225) the attached chart lists the street address, the existing zoning, and proposed zoning. Staff recommends the adoption of the proposed zoning base zoning for these tracts. (See Attachment 4).

Additionally there are some tracts not recommended for rezoning by staff which are being offered by the neighborhood stakeholders for consideration by the commission. (See Attachment 5)

This case is associated with C14-05-0112 Riverside Neighborhood Plan Rezoning; C14-05-0113 Pleasant Valley Neighborhood Plan and NP-05-0021 East Riverside/Oltorf Combined Neighborhood Plan.

BASIS FOR LAND USE RECOMMENDATION

The staff recommendation is derived from the goals and objectives for land use as described in the East Riverside/Oltorf Combined Neighborhood Plan.

DEPARTMENT COMMENTS:

Transportation

Additional right-of-way (ROW) necessary for future roadway improvements within the proposed zoning may be required during the subdivision review process or the site plan review process.

Since the rezoning of this area is being initiated by the City of Austin through the neighborhood planning process and does not reflect a specific development proposal, no trip generation calculations are provided on a tract by tract basis for any proposed land uses as would typically be provided.

A Traffic Impact Analysis (TIA) will be required during the site plan review stage for any proposed land use that would generate over 2,000 vehicle trips per day. Additional ROW, participation in roadway improvements, and/or limitation on development intensity may also be recommended based on review of the TIA.

Existing Conditions:

Name	ROW	Pavement	Classification	Sidewalks	Bus Route	Bike Route
IH 35	Varies	Varies	Arterial	No	#14, 61	No
Ben White Blvd.	Varies	Varies	Arterial	Yes	#14	No
Oltorf Street	90'	60'	Arterial	Yes	#27, 14, 26, 300, 331	#61, 68
Burleson Road	70'	50'	Arterial	Yes	#14	#61
Woodward Street	80'	40'	Arterial	Yes	#328	#59
Montopolis Drive	80'	45'	Arterial	Yes	#4, 350	#65
Pleasant Valley Rd.	120'	Varies	Arterial	Yes	#8, 26, 300, 320, 490	#59, 61
Parker Lane	70'	40'	Collector	Yes	#27, PL	#59

Environmental

The neighborhood is not located over the Edward's Aquifer Recharge Zone. The neighborhood is in the Desired Development Zone. The majority of the neighborhood lies in the Country Club Creek Watershed of the Colorado River Basin, while some portions fall within the Carson Creek and Williamson Creek watersheds, all of which are classified as Suburban Watersheds by Chapter 25-8 of the City's Land Development Code. Smaller parts of the western side of this neighborhood lie within the Blunn and Harpers Branch Creek watersheds, which are classified as Urban Watersheds.

Under current watershed regulations, development or redevelopment within the Suburban Watershed parts of this neighborhood is subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

Impervious cover is not limited in the Urban Watershed; therefore the zoning district impervious cover limits apply.

According to flood plain maps, there is a floodplain within the Country Club Creek Watershed portion of the neighborhood. Offsite drainage should be calculated to determine the exact location of the boundaries. No development is permitted in the Critical Water Quality Zone, while impervious cover is limited to 30% in the Water Quality Transition Zone.

At this time, site specific information is unavailable regarding existing trees and other vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Water quality requirements for each watershed classification are as follows

Suburban: Under current watershed regulations, development or redevelopment will be subject to the following water quality control requirements:

Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

Urban: Projects are required to provide on-site structural water quality controls (or payment in lieu of) for all development and/or redevelopment when 5,000 s.f. cumulative is exceeded, and detention for the two-year storm and 25-8 for all development and/or redevelopment.

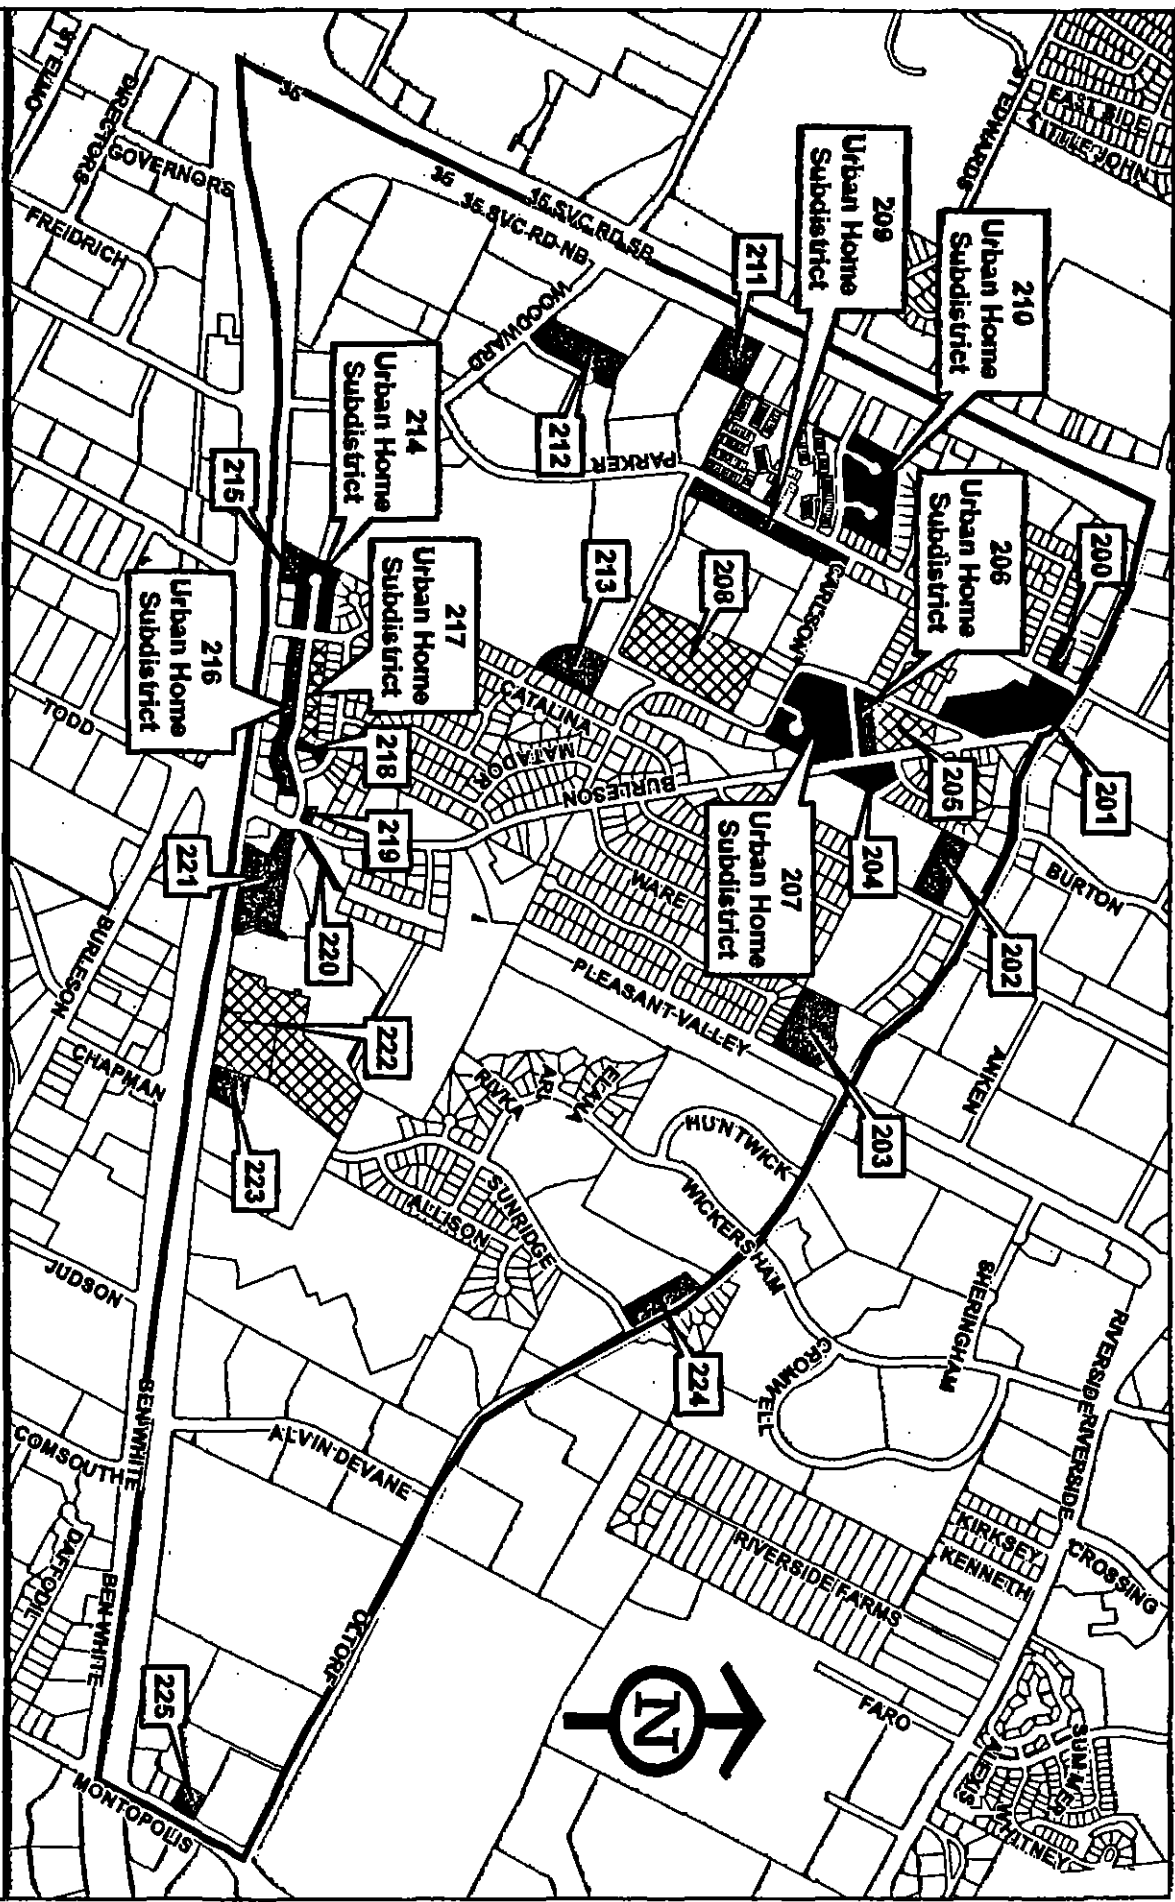

Site Plan

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district or used as single family residential, will be subject to compatibility development regulations. Additional design regulations will be enforced at the time a site plan is submitted.

Highway 71 is a scenic roadway.

Water and Wastewater

The area is currently served with City of Austin water and wastewater utilities. If water or wastewater utility improvements, or offsite main extension, or system upgrades, or utility relocation, or adjustments are required, the landowner, at own expense, will be responsible for providing. Also, the water and wastewater utility plan must be reviewed and approved by the Austin Water Utility. The utility construction must be inspected by the City. The landowner must pay the associated City fees.
